- *Brake Parts, Tachometers & More*

Why Choose Dreisilker for Your Printing Motor Needs?

Unmatched Motor Expertise, Quality Spare Parts & Motor-Safe™ Repair

PRODUCTS & SERVICES

• Motor Inventory:

Dreisilker carries a wide range of major European and Domestic printing motor makes— all available for sale, exchange or rental.

• Motor-Safe™ Repair:

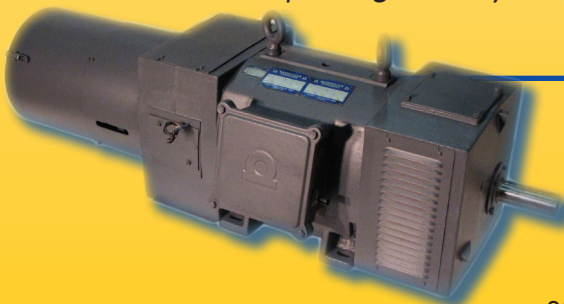

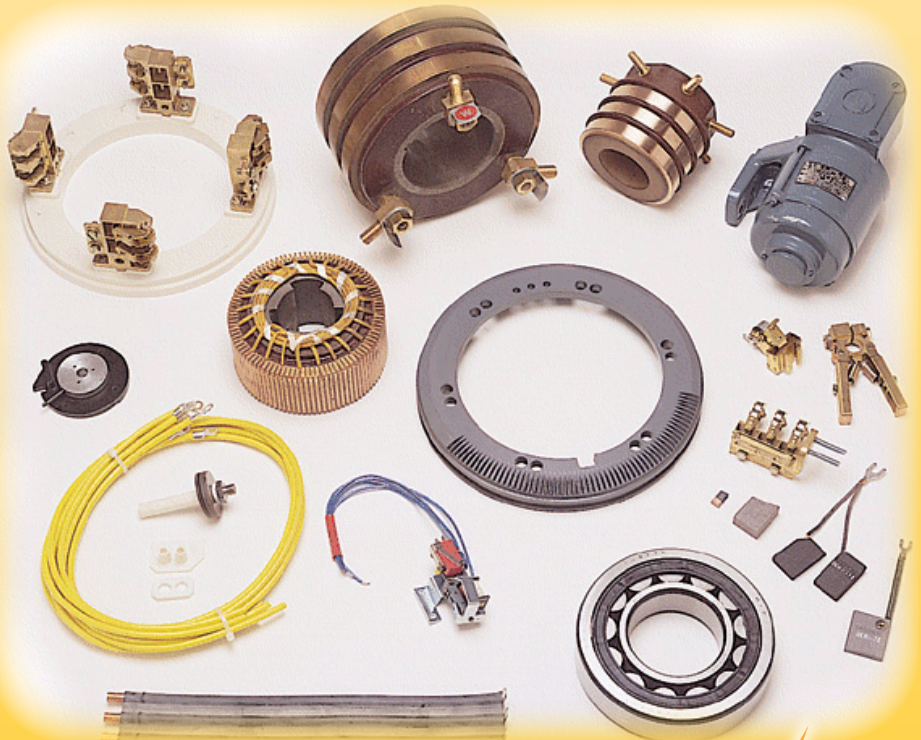

- Mechanical stripping at or below 365°F (Class H).
- Stator laminations are undamaged by heat.
- Shorter stripping process time.
- Produces minimal waste; uses less energy.
- Motor is returned to OEM or better specifications.
- Windings are rewound to original motor design or better.
- Advanced varnishing methods are used to extend motor life.
- All rotating components are dynamically balanced.
- All motors are thoroughly tested to NEMA and IEEE standards.

Motor Spare Parts:

We also maintain a full inventory of motor brushes, brush holders, slip ring assemblies, brake parts, and tachometers used specifically in the printing industry.
